

Here at Word of Restoration, we understand the importance of being intentional when it comes to our children and youth. That's why we are committed to their involvement, their investment, and their impact, so we can faithfully carry out our vision of Restoring Lives with the Word of God.

We're not just restoring the lives of adults, that restoration extends to every child and every young person. Our mission to touch families with the gospel of the Kingdom includes making a lasting difference in the lives of children and youth.

They are not an afterthought. They are not the future church; they are part of the NOW church. Just as they matter to God, they matter to us. At WORIC, we are building spaces, shaping systems, and creating opportunities where children and youth can encounter God, discover purpose, and grow strong in the Word.

When we say, "**Creating Spaces that Touch Families,**" we mean intentionally designing environments, physical, spiritual, and emotional, where children and youth experience the love of God, the truth of His Word, and the joy of community. These are not just rooms, playgrounds, or programs, they are places where restoration begins early, where faith is formed, and where families feel supported, seen, and strengthened.

Whether it's a nursery that gives parents peace of mind, a children's room that stirs biblical curiosity, a playground for fun, or a youth space that cultivates identity and purpose, every space should reflect WORIC's commitment to Restoring Lives with the Word of God, starting with the next generation.

Isaiah 54:13 (NIV) *"All your children will be taught by the Lord, and great will be their peace."*

This reminds us that when we build the right kind of spaces, we are not just shaping environments, we are shaping eternal outcomes in the lives of children and the homes they represent.

Senior Pastor/Visionary

At Word of Restoration, our heart for children and youth is deeply personal. I can honestly say that some of the most meaningful moments of my life happened while growing up in church, sitting in Sunday school classrooms with children my age, learning the Word, being surrounded by leaders who cared, and finding my place in youth group. Those spaces helped shape my faith, strengthen my relationship with God, and build a foundation that stayed with me through every season of life.

That's why we are passionate about this generation. We believe every child and every young person should have the opportunity to experience God for themselves, not just hear about Him, but truly encounter His love, His truth, and His presence.

When we say, “**Creating Spaces that Touch Families,**” we mean building more than physical rooms, we’re creating environments where children feel safe, families feel supported, and faith can grow from the inside out. Whether it’s a nursery that gives parents peace, a children’s area that makes learning the Bible exciting, a special needs space that helps every child feel seen, supported, and valued, or a youth space that speaks identity and purpose, every space should reflect our vision of **Restoring Lives with the Word of God.**

1 Peter 2:9. *“But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light.”*

This Scripture reminds us that our children are a chosen generation, royal, set apart, and called by God. They are not an afterthought, and they are not too young to walk in purpose. That’s why we are committed to investing in them intentionally, because we are not just raising good kids, we are nurturing kingdom carriers who will show forth the praises of God in this generation.

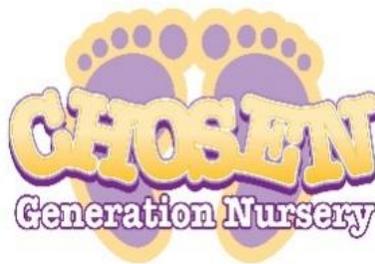

In His Grace,

Lady Charlette Perry

Restoration Generation: Ministry Needs • Investment • Enhancement Overview

This overview outlines the specific needs, upgrade requests, and areas of investment identified by each ministry department. These items reflect our ongoing commitment to excellence as we continue creating Christ-centered spaces that serve, support, and restore the lives of children, youth, and families. Each request is an opportunity to help move the vision forward and strengthen the impact of our ministry to the next generation.

Chosen Generation Nursery Ministry at Word of Restoration...

...lovingly serves infants and toddlers from 2 months through preschool in a safe, fun, and faith-filled environment inside our Kidz Kingdom Nursery. Through a Christ-centered curriculum, Bible stories, and age-appropriate activities, we help plant faith early while our caring Nursery Partners model the love of Jesus through compassion and gentle care. We're raising little ones with big purpose, one child at a time.

The proposed updates are vital to sustaining a safe, efficient, and enriching environment for both children and partners within the Chosen Generation Nursery Ministry. Implementing these improvements will elevate the quality of care, promote developmental growth, and enhance partner productivity.

Royal Priesthood Children's Ministry at Word of Restoration...

...serves students from Kindergarten through 5th grade, providing a Christ-centered, fun, and faith-building environment where children learn the Word of God on their level. Through engaging lessons, Bible stories, memory verses, and hands-on activities, RPH helps raise confident, Christ-like kids with strong spiritual foundations. It's more than a ministry, it's where Kingdom kids are equipped to grow in faith, character, and purpose.

Facility Excellence & Enhancement Overview

To ensure the RPH Children's Ministry continues to reflect excellence, creativity, and care in all areas of its physical environment, the following improvements are proposed. These facility enhancements are designed to refresh our spaces, increase safety, and elevate the learning and worship experience for our children and ministry partners, including improvements of the preexisting playground. Furthermore, they reflect our ongoing efforts to ensure aesthetics, functionality, and overall experience within our ministry areas align with the spirit of excellence we uphold at Word of Restoration.

Proposed Enhancements

Aesthetic Enhancements

- Repainting classrooms to brighten and renew learning environments to create an inviting learning experience and atmosphere
- Addition of artwork or framed posters in classrooms to promote spiritual inspiration and visual engagement
- Upgraded murals in key locations to provide a refreshed visual identity aligned with our ministry's message

Functional Improvements

- Tighten carpet in the amphitheater to eliminate snags and improve safety
- Secure or re-glue baseboards throughout facility for a clean and well-maintained appearance
- Replace door lock on the Supply Room bathroom door for improved security
- New countertop surface behind the Help Desk to enhance functionality and appeal
- Upgrading and expanding the Children's Ministry Playground to provide a safe, fun, and developmentally enriching environment for our elementary-aged students.

Facility Integrity & Safety

- Fill gaps on double doors leading to outdoor areas to ensure insulation and safety
- Install a new faucet in the kitchen to improve usability and sanitation

Lighting Enhancements

- Enhance lighting throughout The Intersection to brighten common areas and support a welcoming, safe, and engaging space for all children

Technology & Software Upgrades

- Evaluate and implement software solutions that support lesson planning, check-in systems, and classroom management. For the benefit of enhancing operational efficiency, improving communication, streamlining administrative tasks, and creating a smoother experience for partners, parents, and children.

These enhancements will further elevate the quality of ministry we provide and ensure our spaces remain excellent, engaging, and Christ-centered. We remain committed to stewarding our environment well as we nurture the next generation of Kingdom leaders where the excellence of our God is reflected while serving families with joy, creativity, and care.

"Sensory-inclusive, purposefully designed space"

Sensory & Me Special Needs Ministry has been growing and steadily increasing in both participation and impact. What began in one designated area quickly outgrew its capacity, leading us to relocate to a larger space. However, even this space is no longer adequate to fully support the scope of ministry, nor to house the necessary tools, equipment, and resources required to serve our students with excellence.

As a result, there is now a pressing need to expand and create a purpose-built, sensory and therapeutic environment, intentionally designed to accommodate the educational, developmental, and therapeutic needs of children on the autism spectrum. This space will provide the appropriate setting for meaningful ministry, enhanced engagement, and Christ-centered care tailored to every child's unique journey.

Youth Ministry at Word of Restoration...

...is designed with purpose and progression, guiding students from identity to influence. Our Youth Ministry exists to engage, equip, and empower the next generation to live out their faith boldly and authentically. Designed to minister to students in both middle and high school, this ministry is more than a gathering, it is a movement that nurtures spiritual growth, builds godly character, and fosters kingdom-minded leadership. Youth Ministry consists of two dynamic divisions:

Peculiar Middle School Ministry serves students in 6th through 8th grade, helping them discover their identity in Christ during one of the most critical seasons of development. Here, youth are taught to live boldly, make godly choices, and stand strong in who God has called them to be.

GHN – Generation Holy Nation is our high school ministry for students in 9th grade through age 19, where teens are discipled to live out their faith, share the gospel, and lead with confidence in their schools, communities, and beyond.

Together, these ministries are equipping the next generation to grow spiritually, walk in purpose, and impact the world for the Kingdom. The Youth Ministry has identified several key areas of improvement to enhance worship, communication, and engagement. These updates aim to create a more dynamic, efficient, and impactful environment for students, partners, and parents.

Identified Needs & Enhancements

- **Photography Integration:** Incorporating photography into youth services to capture moments and highlight engagement, possibly utilizing youth photographers.
- **Live Band Support:** Establishing a consistent and committed youth band to enhance worship experiences.
- **Social Media Presence:** Increasing visibility and outreach via consistent, engaging content on youth-focused platforms.
- **Check-in System Upgrade:** Replacing the current system to eliminate ongoing issues and ensure smooth student check-ins.
- **Service Schedule Signage:** Installing an exterior sign near 'The Zone' to inform students of service days and times.
- **Parent Communication System:** Collecting and organizing parent contact information to improve follow-up, updates, and student-parent engagement.
- **Parcel Sound System Upgrade:** Enhancing sound equipment to meet the needs of youth worship services.

- **Lighting Enhancements:** Upgrading lighting in worship and teaching spaces for better ambiance and effectiveness.
- **Paint Refresh:** Refreshing wall paint in specific areas to maintain a vibrant and welcoming atmosphere.

CHILDREN & YOUTH MINISTRY BILLBOARD

We're excited to announce our brand-new billboard on Highway 6, heading east, right at the FM 521 exit ramp! This vibrant display showcases our deep love and commitment to the next generation through our Youth Ministry for all ages, Nursery, Elementary, Middle School, and High School. At Word of Restoration, we don't just serve youth, we celebrate them!

Every time you pass by this billboard, we invite you to say a prayer for our partners who serve in nursery, children, and youth ministry. They are shaping lives, planting seeds, and building legacies. Also, pray for our nursery-aged children, our elementary students, and our middle and high school youth, each one filled with purpose, potential, and promise. They are not just the church of tomorrow; they are the Restoration Generation of today. May God continue to cover them, grow them, and guide them as they rise up to impact the world.

Let's not take for granted that God has given us this sacred opportunity to **CREATE SPACES: That Touches Families**, shape futures, and raise up a generation of champions. We're believing God to do something supernatural through every seed sown, every space built, and every child reached.

Together, we are Restoring Lives with the Word of God and shaping the next generation with strength, purpose, and faith.

What you have before you are the **Children and Youth Ministry Needs, Investment, and Enhancement Overview**. This overview represents our collective commitment to ministering with excellence to every child and youth within our care. Each request outlined is not simply a list, it's a vision. A vision of creating intentional, inspiring, and inclusive spaces where children can encounter the love of God, grow in grace, and thrive in their faith.

All of this is made possible through your generosity. This special campaign is called **Restoration Generation: Creating Spaces That Touch Families**. As we celebrate our church anniversary in the month of March, every seed sown, every gift given, and every act of generosity will go directly toward the provision and fulfillment of these outlined needs.

We believe God is faithful, and He already knows what He's going to do. And we thank Him not only for the opportunity to serve our children, but also for your unwavering support.

Know that your gift is:

- An Investment in a Child's Future
- An Instrument of Change
- An Invitation for Continued Impact

Our **Restoration Generation: Creating Spaces That Touch Families Giving** began on our 25th Church Anniversary, Sunday, February 1st, 2026, and will continue throughout the duration of these projects as we faithfully see them through to completion.

Every gift of support and every financial contribution is making a real difference, creating spaces that touch families, elevate ministry, and reflect God's excellence. Thank you for your support, and may God bless you, your family, and everything you put your hands to. Together, we are Restoring Lives with the Word of God, and shaping the next generation with strength, purpose, and faith.
